Savi Office WO300 & WO350 Battery Replacement

Procedure

Savi Office WO300 & WO350 Battery Replacement

Use a fingernail

to lift off and flip open the battery door.

Use the hook end of the tool to hook the battery wires and pull them toward the open battery door until the battery moves out from behind the post.

Once the battery is removed, gently disconnect the battery connector;

do not pull hard.

Close the door so that it is flush with the headset.

Using the "Y" end of the tool, press the battery backwards

and away from the battery door until the left corner of the battery tucks under the post in the battery compartment. Tuck all of the

battery wires and connectors into the battery compartment.

6 - Close the door so that it
